

Dear Prospective Sponsor:

AZ Outlaws Softball is a Non-Profit Youth Sports Organization based in Peoria, Arizona. The focus of the AZ Outlaws Organization is to bring local players with desire, dedication, and talent together to play at a high level of competition. All of our players are dedicated students as well as softball players and most of these girls play softball year-round in hopes of, one day, securing a college scholarship.

Our organization has 5 different age groups with 6 teams. AZ Outlaws Softball looks for the best competition throughout the country and has been known to travel to all areas of the United States to get our girls seen by college coaches. As the fall/winter season approaches, we are looking forward to playing in as many tournaments as necessary to get our girls the exposure they need and deserve. Our ultimate goal next summer is to compete at the National Tournament, giving our girls even more exposure to college recruiters.

Although the girls do pay dues and try to participate in fundraisers, our program still needs the help of sponsors such as yourself to paramount us meeting our financial budget. You can be assured that your donation will go directly to the cost of tournament fees, equipment, travel expenses, uniforms, and training. We are a Non-Profit Organization, and our coaches donate their time and energy to this endeavor, without any monetary compensation.

Any and all donations are greatly appreciated, but for our larger business sponsors, we try to help support your business by advertising for you on both of our websites www.azoutlawsoftball.org as well as the individual teams website in which you are sponsoring.
